Holly came from Miami, F.L.A., hitch-hiked her way across the USA
C                                    D                                    F                                    D
Plucked her eyebrows on the way, shaved her legs and then he was a she
C                                    F6
She says, Hey babe, take a walk on the wild side
C                                    F6
She said, Hey honey, take a walk on the wild side

C                                    F6                                    C                                    F6
Candy came from out on the Island, in the backroom she was everybody's darlin'
C                                    D                                    F                                    D
But she never lost her head, even when she was giving head
C                                    F6
She says, Hey babe, take a walk on the wild side
C                                    F6
Said, Hey babe, take a walk on the wild side
C                                    F6                                    C                                    F6                                    C                                    F6                                    C                                    F6
And the colored girls go, doo doo doo doo doo doo doo…

C                                    F6                                    C                                    F6                                    F6
Little Joe never once gave it away, everybody had to pay and pay
C                                    D                                    F                                    D
A hustle here and a hustle there, New York City's the place where they said,
C                                    F6
Hey babe, take a walk on the wild side
C                                    F6
I said, Hey Joe, take a walk on the wild side

C                                    F6                                    C                                    F6                                    F6
Sugar Plum Fairy came and hit the streets, lookin' for soul food and a place to eat
C                                    D                                    F                                    D
Went to the Apollo, you should've seen 'em go go go
C                                    F6
They said, Hey sugar, take a walk on the wild side
C                                    F6
I Said, Hey babe, take a walk on the wild side, all right, huh

C                                    F6                                    C                                    F6                                    F6
Jackie is just speeding away, thought she was James Dean for a day
C                                    D                                    F                                    D
Then I guess she had to crash, Valium would have helped that bash
C                                    F6
Said, Hey babe, take a walk on the wild side
C                                    F6
I said, Hey honey, take a walk on the wild side
